Galería Nueva

GALERÍA NUEVA is a 70-sqm exhibition space in Doctor Fourquet Street in Madrid, where national and international galleries are invited to show individual or collective exhibitions of their represented artists for a period of time. During that time, the space will take the name of the hosted gallery, thus becoming its embassy in Madrid.

Every month, a New Gallery will open in the city.

Location

Located in Doctor Fourquet Street, GALERÍA NUEVA is close to the city's top art venues: Museo Reina Sofía, Prado Museum, Caixa Forum, Thyssen-Bornemisza Museum, La Casa Encendida, Tabacalera and many contemporary art galleries.

What we offer

In addition to an exhibition space, galleries can hire an accommodation service, a studio, catering, exhibition assembly and a dinner with collectors, among others.

Galleries interested in submitting their projects to Galería Nueva should send the completed form at least four months before their chosen exhibition date. A board of collectors will evaluate the applications. The selection of each gallery will be notified personally as soon as possible. (Each one of the selected galleries will be contacted as soon as possible.)

We actively communicate with the press and the radio, hold meetings with curators and collectors at GALERÍA NUEVA and organise an opening with our visitors and collectors.

The sign of the hosted gallery could be printed and placed in the light announcer at the façade.

We print a vinyl text for the window with the gallery name, the exhibition's title, the artist's name and the dates.

Other services

Galleries can also request accommodation at a residence for the gallery staff. Additionally, they can send their artists to prepare their exhibition project for as many weeks prior to the event as may be required. The accommodation will be in the residence-studios located in Arturo Soria Street in Madrid. Arturo Soria Street is the backbone of the Ciudad Lineal district. This neighbourhood offers a quiet working environment, with green areas and a swimming pool (in summer), parks and cultural spaces such as La Nave Sánchez-Ubiría, the African Museum, Espacio Quinta and several prestigious artist studios.

We can also receive and assemble your works, prepare networking activities with the public and the collectors and organise a visit of curators and collectors to the temporary studio of your artist in Arturo Soria.
